

Employer: Newcastle City Council

Vacancy: Gas Safety Assistant

Hours: Flexible 16 – 20 hours

Salary: £11.44 per hour – Meets Min National Wage

Working pattern: Flexible

Number of vacancies: 1

Job Summary

We have an opportunity for someone with an interest in gas central heating repairs and maintenance to join us within our busy domestic repair's maintenance team. If you are self-motivated and have an interest in heating and are looking for the first step to gain experience, this could be the job for you!

You will have the opportunity to work within a multi-skilled team supporting the engineers in the maintenance, service and installation of heating systems.

Reporting to a Repairs and Construction Manager you will be expected to support on a variety of properties. You will work as part of a team who carry out installations, services and repairs to properties that are managed by Newcastle City Council.

We do need you to have a CSCS card, but if you don't have one at the time of being appointed, we can support you gaining this before you start.

Essential skills, experience and qualifications

What do we expect to see from you?

This is a starting role, so we don't need experience... that's what we're here for. But
